

EDRN Bookshelf

Other documents (papers, common data element tables, etc.) related to EDRN.

A number of other documents, such as news items, press releases, and various publications are available.

News and Press Releases

- [NCI Begins Validation Study of New Test to Detect Early Stage Liver Cancer, February 24, 2005](#)
- [NCI Funds 17 Early Detection Research Network Biomarker Development Laboratories, Sustaining the Momentum of Biomarker Discovery, November 19, 2004](#)
- [Scientists Begin Validation Study of Test to Detect Recurrent Bladder Cancer, October 4, 2004](#)
- [Early Detection Research Network Completes Initial Funding; Seeks New Screening Tests for Common Cancers, May 16, 2000](#)
- [NCI Begins Funding Early Detection Research Network: 18 Biomarkers Developmental laboratories Seek Tests for Common Cancers, October 6, 1999](#)
- [NCI Announces Creation of Early Detection Research Network: Comprehensive Initiative Will Develop and Validate Early Detection Markers for Cancer, December 8, 1998](#)

EDRN Workshop, Task Force, Working Groups, Implementation Team Meeting Reports

- [EDRN Pancreas Working Group Meeting Executive Summary](#)

Early Detection Research Network Progress Reports

- [Initial Report, October 2000 \[PDF\]](#)
- [Second Report, October 2002 \[PDF\]](#)
- [Third Report, March 2005 \[PDF\]](#)

Join the EDRN ListServ

The EDRN Announcements ListServ is now available. To receive email notification for EDRN Announcements, go to the ["Join or Leave EDRN ANNOUNCEMENTS-L, or Change Options"](#) page on the NIH ListServ website.

Other Materials

- A repository of terms called [Common Data Elements \(CDEs\)](#) that all EDRN sites must use to collect patient, specimen-specific, organ-specific, and biomarker-specific information.
- [Validating Biomarkers: Early Detection Research Network Launches First Phase III](#), article, Journal of the National Cancer Institute, March 19, 2003 (Access to this article requires [subscription](#) to the JNCI Spectrum)
- [EDRN develops informatics prototypes for accessing biorepository across EDRN Centers](#), article, Journal of the National Cancer Institute, February 5, 2003 (Access to this article requires [subscription](#) to the JNCI Spectrum)
- Early Detection Implementation Group [\[PDF File\]](#)
- [Detection Network Gives Early Cancer Tests a Push](#), article, Journal of the National Cancer Institute, May 17, 2000 (Access to this article requires [subscription](#) to the JNCI Spectrum)
